

GIVING . . .

No one person has the resources to provide solutions to all the challenges facing our community. A significant impact can be made by combining the financial and human resources of many individuals.

There are many opportunities for individuals, families and companies to contribute to the Community Foundation through gifts of any size and many types. Giving to one or more of the funds within the Hillsdale County Community Foundation is always encouraged; however, you may wish to create a new fund to serve your personal goals.

GIVING NOW . . .

The charities you now support can receive continued support during your lifetime and in perpetuity through the establishment of a fund in the Community Foundation. Many donors regularly contribute assets to their funds and every year recommend grants from the fund.

FUTURE GIVING . . .

There are many attractive arrangements for future giving-deferred gifts. Deferred gifts offer you the benefit of a current tax deduction in exchange for the commitment of funds at some later date, even after your lifetime.

What is the Hillsdale County Community Foundation?

The Hillsdale County Community Foundation is a non-profit, charitable organization created by and for the people of Hillsdale County. We are here to assist you in creating a positive impact in our community.

Our Special Features . . .

WE MAKE GIVING EASY & FLEXIBLE.

We make giving easy by accepting a wide variety of gifts. We provide you with a number of charitable options for establishing your own fund or contributing to a fund already administered by the Foundation.

WE PROVIDE LOCAL SUPPORT.

Our professional staff has an in-depth understanding of the issues, opportunities and resources that shape our community. A volunteer board of local community leaders, representing the interests of Hillsdale County, oversee the Community Foundation's administration and distribution of grant funds.

COMMUNITY LEADERSHIP.

We invest in the long term and bring people and organizations together, convening diverse voices to address local issues and opportunities.

We Offer A Variety of Giving Methods To Meet Your Needs.

OUTRIGHT GIFTS—This includes gifts of cash, stock, bonds, real estate, or personal property. Gifts to the Community Foundation may also be made online or via direct deposit from your banking institution.

PAYROLL DEDUCTION—Donors may choose to contribute on a regular basis to the causes they care about the most by participating in automatic payroll deduction. Ask your employer about how you can support your community through this option. The Community Foundation can guide you toward the funds that support the causes about which you are passionate.

ESTABLISHING A FUND—Establish a fund at the Community Foundation in your name, in the name of your family or anyone you wish to honor or memorialize.

WILLS & BEQUESTS—Donors have the option of contributing to the Community Foundation through planned giving, such as bequests made through wills and trusts.

LIFE INSURANCE—By assigning ownership of life insurance policies to the Foundation, you can receive an immediate income tax charitable deduction in the amount of the policies' present value.

CHARITABLE REMAINDER TRUST— You can place cash or property in a trust that pays annual income to you—or another named beneficiary—for life. After your death, the remainder of the Trust transfers to your Community Foundation and is placed into a charitable fund you have selected.

CHARITABLE LEAD TRUST— You can place cash or property into a trust that pays a fixed amount to your Community Foundation for a selected number of years. Once this period ends, the assets held by the trust are transferred to the beneficiaries you name.

Let your advisor help you select the giving methods best suited for you and your charitable intentions.

BENEFITS OF GIVING

COMMUNITY IMPACT

Put your charitable dollars to work directly within the community, impacting those causes for which you care most deeply.

HONOR OR MEMORIALIZE A LOVED ONE

Honorary and memorial gifts make great tributes to loved ones. They offer a way to recognize or support programs and activities meaningful to them during their lifetime.

LEAVE A LEGACY

Endowing a fund with the Community Foundation creates a legacy of caring that continues to benefit future generations. Endowments are gifts that keep on giving. The income earned from an endowment will support our community forever.
