HCCF Announces Upcoming Grant Application Deadline

Hillsdale, MI, April 10, 2017 –

The Hillsdale County Community Foundation is reminding area non-profits of the upcoming deadline for applications for the summer grant cycle. All grant applications are due in the HCCF office by 4 pm on May 1st. This deadline includes applications for the HCCF General Endowment Fund, also known as adult grants. Applications will not be accepted by HCCF after May 1st, regardless of post-mark date. Faxed or emailed applications will not be considered.

The HCCF is interested in funding projects that will improve the quality of life for the citizens of Hillsdale County. Eligible projects generally fall within these categories: education, fine arts, social services, community development, recreation, environmental issues, health and wellness, and improvement in the physical, mental, and moral conditions of Hillsdale County residents. The Foundation aims to support creative approaches to community needs and problems that benefit the widest possible range of people.

All applicants are reminded that grant application forms and guidelines are available on the HCCF website, www.abouthccf.org, or at the HCCF office. The Foundation welcomes grant applications from the Hillsdale County area or outside Hillsdale County if a significant number of the people to be served reside within Hillsdale County. Applicants must be tax-exempt according to Section 501(c) (3) of the Internal Revenue Code, an educational institution, or a governmental unit. An additional requirement for all applicants is that the organization must contact the HCCF office prior to submitting an application. More information can be obtained by calling the Foundation office at 517-439-5101 Monday through Friday from 9 am – 4 pm, by stopping at the offices located at 2 S. Howell Street in Hillsdale, or visiting www.abouthccf.org.

The Hillsdale County Community Foundation was established in 1991 “For **good**. For **ever**.” As a community grant-making foundation, it provides seed money to organizations and institutions that have identified problems and have designed constructive action programs aimed at solutions. A majority of the Foundation’s grant making is focused on the areas of youth, leadership, philanthropy and volunteerism.
