

Give Where

You Live

The Hillsdale County Community Foundation is proud to sponsor Give Where You Live, a community giving program designed to benefit nonprofit agencies in Hillsdale County. Give Where You Live meets the needs of our area nonprofits and offers a financially secure and convenient means to contribute to the causes you care about most.

Give Where You Live provides support for local agencies by receiving and administering funds designated specifically for local nonprofits and their programs. HCCF has the infrastructure and experience to allow for several giving options for donors. Contributors can choose to utilize payroll deduction through an employer, pledges, and one-time donations to support any of several designated local agencies.
