Our Mission

To receive and administer funds for artistic, charitable, educational, and scientific purposes in a manner that both promotes the spirit of philanthropy and meets the needs of the people of Hillsdale County.

Our Commitment to You

- To work toward a healthy community with self-sufficient individuals and families living in responsible and loving environments.
- To pursue ways to promote lasting, positive change in all areas of our society.
- To constitute wise financial decisions; to be a good steward of the monies entrusted to us by our donors.
- To provide excellent service to our donors and non-profit organizations seeking assistance to fulfill their philanthropic intentions.
- To continually develop our community assets and work to strengthen our county.
- Since our establishment in 1991, the Hillsdale County Community Foundation has been operating under these principles and remains devoted to the continual fulfillment of our mission.

2021 Community Report

We are excited to be kicking off our 30th year of existence in Hillsdale County! Our report this year is affectionately called “Reflections”.

Since 1991, the Foundation has grown its assets to \$26 Million, thanks to careful investing, amazing donors and the leadership of past and present Board of Trustees. In return, we have had the opportunity to support our community in the form of grants, scholarships and donor designated funding. As of this report, the Foundation has provided \$13.9 Million in financial support to Hillsdale County residents and their families.

In looking through the pages of this report, we hope you will recognize all the places we have been and the people we have impacted these past 30 years. We have started programs like the Great Give and Give Where You Live to support our non-profits and the people they serve. The Foundation was asked to pick up the Warm the Children campaign at a time when it needed a champion. We continue to support our local schools and sponsor the College and Career Fair to support our area young people in selecting a career path that is right for them. Finally, we honor Robert Simpson for his spirit of philanthropy and his commitment that opened the door for us to continue the act of giving.

HCCF is proud to celebrate 30 years of success and partnerships in this community. We thank you for believing in our mission, being a part of our history and working with us to shape the future. Together we are making a difference and look forward to continuing our legacy with you for many years to come. For good. For ever.

Each year, fund holders, volunteers, and scholarship committee members, dedicate hours of time and effort making decisions for scholarship awards.

The Foundation recognizes that impacts like these could not be made without our donors and scholarship fund holders. Mike Nye, fund holder and former board member, shared, “I am a fund holder and I think it is important for us to be fund holders. It is a legacy.” Nye holds three funds at the Foundation including the Mike and Marcie Nye Family Scholarship, the Sandra Caskey Memorial Scholarship, and the Judge Michael E. Nye Scholarship. Nye continues, “You’re leaving something for the community to come back to – to give back to the community that’s been so good to me.”

Since the beginning, scholarships have provided \$3.5 million to area students pursuing higher education.

April is “National Distracted Driver Awareness Month” and the Hillsdale County Community Foundation Y.O.U.T.H. Advisory Council want to encourage parents to have conversations with their teens about staying safe while behind the wheel. Car crashes are the leading cause of death for teens ages 15 to 18 in the United States. Parents can be the biggest influencers on teens’ choices behind the wheel. The Y.O.U.T.H. Advisory Council recommends the following talking points:

- **No texting while driving**

Michigan law prohibits all drivers from texting and using a hand-held phone while driving. Texting drivers are 23 times more likely to crash.

- **No cell phone use behind the wheel**

Kelsey’s Law prohibits teen drivers with a Level 1 or Level 2 license status from using a cell phone while driving.

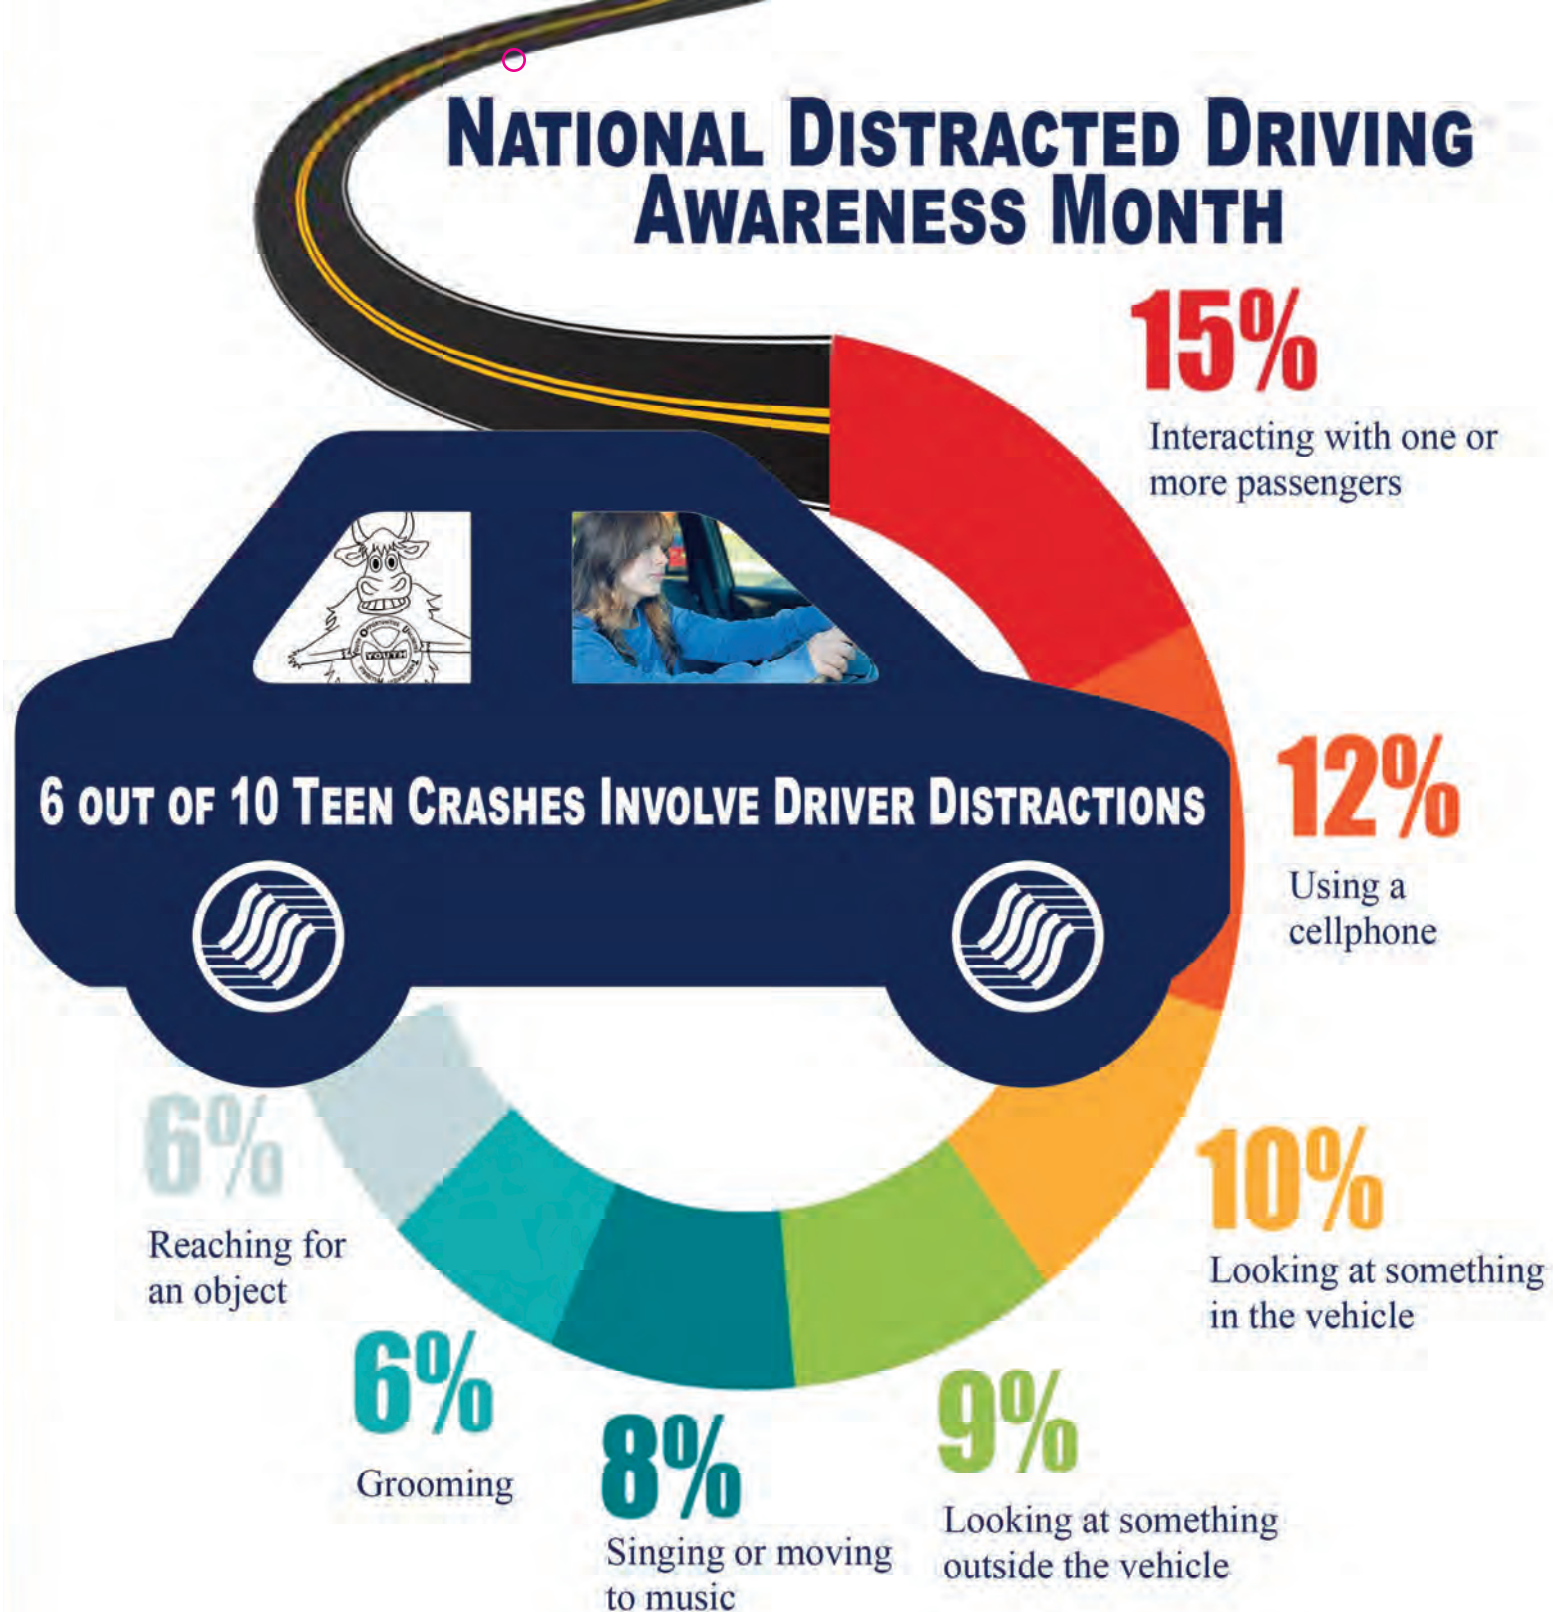

- **No speeding**

The National Highway Traffic Safety Association noted that drivers between the ages of 15-20 were likely to be speeding at the time of fatal crashes in 2019.

- **No drinking and driving**

- **Wear seatbelts**

46% of teen drivers who were killed in fatal crashes in 2019 “were unrestrained.” NHTSA data shows wearing a safety belt can reduce the risk of crash injuries by about 50%.

The Simpson Foundation was created from the Robert J. Simpson Trust. It started with assets of approximately \$1.4 million and was administered from the former City Bank and Trust Company in Jackson. Until 1991, the Simpson Foundation operated as a private family foundation in Litchfield. The foundation was initially created for charitable gifts to non-profit organizations in Hillsdale County. The income was intended for grant making, including educational, health, and community services. The three daughters of Mr. Simpson; Roberta Ansbaugh, Grace Brott, and Kay Hobby, were designated as advisors of the trust for management and distribution of the assets.

Over time, the Simpson Foundation proposed to support the Hillsdale County Community Foundation by committing the entire income to pay administrative costs for HCCF, community grant making, and endowment building.

Robert Simpson had a deep love and appreciation for his home county and wanted to see that the fruits of his years of work would continue to benefit the lives of the residents of Hillsdale County. Current board member, Trent Morris, fifth generation of the Simpson family, has had the opportunity to embrace his family legacy of giving. When reflecting on his time with the Foundation Morris shared, "What the Foundation has shown me is that we do have a strong community here. It is a community worth serving and I am proud to carry on that torch. I recently became a father making my son a sixth generation - I hope he gets to share in this experience as well."

The Simpson Foundation has continued to add to the success of the Hillsdale County Community Foundation. It was because of the Simpson family's generosity that the Foundation has been able to operate fully off of the income from our operating endowment fund, allowing every cent of our gifts and contributions to impact our community. HCCF will continue to embody Robert Simpson's love for philanthropy and community improvement.

Watersheds

Hillsdale County is the home to five main watersheds. A watershed is an area of land that drains into a lake or a river. As rainwater and melting snow run downhill, they carry sediment and other material into our streams, lakes, wetlands and groundwater.

The Hillsdale County Community Foundation logo features the five watersheds that originate in Hillsdale County and flow to other areas of our state as well as parts of Indiana and Ohio. Those rivers include the St. Joe, the St. Joe Maumee, the Upper Grand, the Kalamazoo and the Raisin, and in further research includes a sixth called the Tiffin River watershed.

St. Joseph River Watershed: Indiana and Michigan - The St. Joseph River Watershed is located in the southwestern part of Michigan and the northwestern part of Indiana. It begins at Baw Beese Lake in Hillsdale and empties into Lake Michigan at St. Joseph, Michigan.

Lower St. Joseph-Maumee River Watershed: Indiana, Michigan and Ohio - The St. Joseph-Maumee River Watershed is located in the southern part of Michigan, the northeastern part of Indiana and the northwestern part of Ohio. The watershed begins in Hillsdale and empties into Lake Erie.

Upper Grand River Watershed: The Upper Grand River Watershed is located in the southern part of Michigan. The watershed begins near Somerset in Hillsdale County and empties into Lake Michigan.

Kalamazoo River Watershed: The Kalamazoo River Watershed is located in the southwestern part of Michigan. The watershed begins near Moscow in Hillsdale County and empties into Lake Michigan.

River Raisin Watershed: The River Raisin Watershed is located in the southeastern part of Michigan and the northwestern part of Ohio. The watershed begins near Somerset in Hillsdale County and empties into Lake Erie.

Tiffin River Watershed: The Tiffin River Watershed, also known as the Bean Creek Watershed, located in the southern part of Michigan and the northwestern part of Ohio. The watershed includes 18 lakes and covers 790 square miles of land, which begins near Devil's Lake in Hillsdale County and empties into the Maumee River, and finally into Lake Erie.

Supporting Nonprofits

Over the last 30 years, the Hillsdale County Community Foundation has formed amazing partnerships with organizations and non-profits all with the same mission – to make Hillsdale County a better place to work and live. These non-profits have grown and made significant impacts in the lives of residents in Hillsdale County and HCCF is proud to support the great work that is being done.

HCCF supports local non-profits through the Give Where You Live (GWYL) program. The Give Where You Live initiative is a community giving program aimed at meeting the needs of area non-profits. Since 2011, HCCF has proudly sponsored this program, offering local residents and organizations the financial security as well as opportunities to continue to give to the programs they care about most. GWYL gives donors the option to designate their gifts to a particular agency or an unrestricted fund. Ways of giving include payroll deductions, ACH transfer or giving an outright gift.

HCCF Hosts Annual Hillsdale County COLLEGE AND CAREER FAIR

For the past 15 years, the Hillsdale County Community Foundation has partnered with Hillsdale College to sponsor the area College and Career Fair. The event brings together colleges and universities from the tri-state area and representatives from the armed forces, and local employers seeking trade workers. CHBW and CNB are also on hand each year to provide financial and loan information.

In addition to speaking with college representatives, the fair is the first opportunity for those interested in scholarships administered by the Foundation to receive the Scholarship Book and application information. The Scholarship Book outlines all available scholarships and eligibility requirements. The Foundation currently holds over 125 scholarship funds from which students can apply for assistance.

GIVING TUESDAY

#GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good. For the past ten years, #GivingTuesday has grown into an independent nonprofit and global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

The Great Give, organized annually on the Tuesday following Thanksgiving, unites Hillsdale County nonprofit agencies to celebrate the spirit of philanthropy and serves as the kick-off to the charitable season.

The Hillsdale County Community Foundation will celebrate the Great Give on Tuesday, November 29. Throughout the day, several local nonprofits will have the opportunity to collect donations on location and connect with one another. The participating nonprofits will receive donations from 9 a.m. until 4 p.m., with online gifts being encouraged using the HCCF website, www.abouthccf.org. One of the best ways to get involved is by starting in your own community.

“It is one of my favorite days of the year,” said President and CEO Sharon Bisher. “It is amazing to see our community come together to celebrate the spirit of philanthropy through giving. The Great Give is a wonderful opportunity to support our nonprofits that do so much good in Hillsdale County.”

Please visit www.abouthccf.org on Tuesday, November 29, to make a difference and make an impact in our county.
