Paul graduated from Jonesville High School in 1983 and he went on to proudly serve his country in the United States Army as a combat engineer. Paul began his construction career working for DH Roberts Construction and later for Brand Construction. In 2007, Paul and Rose purchased G&G Glass in Hillsdale and they currently serve as the owners and operators. Paul was a talented craftsman and avid woodworker. He enjoyed 4-wheeler trips, fireworks, birds, and fun times spent with friends. Paul had a generous heart, serving on two construction mission trips to Honduras and supporting many community events including Payback for Education and the industrial arts programs at area schools.
