Our Mission

To receive and administer funds for artistic, charitable, educational, and scientific purposes in a manner that both promotes the spirit of philanthropy and meets the needs of the people of Hillsdale County.

2023 Letter to our Community

Another year has passed, and we are grateful for our friends that have walked along side of us these past 12 months. It has been an exciting year of growth and impacting our community in new and exciting ways!

We are so grateful to our donors and community partnerships that have allowed us to impact our residents in some old and new ways. Every dollar donated and every dollar granted represents a life changed. We are excited to share some of those stories with you in the coming months.

This year's report highlights the impact we are making in Hillsdale County. That impact can be found in the following areas:

Grantmaking – In the past year, we were able to support 245 requests for funding to support various needs in our community. They support all different populations, program areas and locations throughout the county. In addition, we provided 239 scholarships to area students to pursue their dreams of higher education.

Community Collaborations – We are excited to highlight our partnership with the Hillsdale College GOAL program. In supporting their 26 community-based programs, they leveraged 11,715 hours of community service! We also came together during the Great Give and raised much needed dollars for our area non-profits. Together we are accomplishing more!

Donor Partnerships – Whether they are remembering a loved one or honoring a community, we are excited to join with our donors to help them see their plans to fruition. We honored some amazing people this past year and are grateful they trusted us to help with their endeavors.

Thank you for being a part of our community impact. We look forward to continuing that impact with your assistance.

Nita Phillips Memorial

Hillsdale Community Schools libraries were blessed in March of 2023 in memory of long-time educator Nita Phillips. Nita's husband Scott, and her sons, Ryan and Kyle were on hand for the ribbon cutting event. Just under 600 books were purchased for the four school libraries. Each new book included a memorial sticker on the inside cover. Nita worked in the district for over 20 years and her greatest love was teaching children to read. In addition, Bailey Early Childhood Center and Gier Elementary also received new rugs, a rocking chair, flexible seating, and décor.

Heartwood Solar

Heartwood Solar established a fund to support and enrich educational programs and opportunities in Jonesville Community Schools. Heartwood Solar will sponsor two projects each school year.

Kristin Townsend Warren

The Kristin Townsend Warren Educational Award was established by her family to support the staff of Hillsdale Community Schools. Kristin taught several subjects for 25 years including physical education, science, health, and at the Horizon Alternative school. This fund will sponsor one project each year.

The prudent investment of assets is a primary function of the Hillsdale County Community Foundation Board of Trustees. The Foundation invests in a varied portfolio, which results in our annual investment returns. The financial information contained in this report has been prepared using information contained in the Foundation's annual audit for the year ending September 30, 2023. The complete audit, the IRS Form 990 tax return, names of investment managers, fees charged and the names of any parties responsible for investment oversight is available to the public. Contact the Foundation's office to request any of these documents. A small fee may be charged for copying and mailing.

Every year the Foundation accepts donations of all sizes and from a broad range of people who each have their own purposes for giving. Collectively they help the Hillsdale County Community Foundation achieve its mission to make Hillsdale County a better place in which to live, work and play.
