Frequently Asked Questions

AM I ELIGIBLE TO APPLY?

Each scholarship fund has specific eligibility criteria defined by the donor when the fund was established. Please read through the specific criteria for each scholarship to see if you are eligible. Please do not apply for scholarships for which you do not qualify.

WHEN IS THE DEADLINE TO APPLY?

Application materials must be uploaded online no later than 4:00 p.m. on March 1.

WHAT CAN SCHOLARSHIP AWARDS BE USED FOR?

They are used to assist with college expenses, which includes tuition, fees, on-campus room/board and required class materials. Unfortunately, scholarship money may not be used for expenses such as child care or transportation, although these expenses will be taken into consideration upon awarding scholarships that are based on financial need.

WHERE CAN I GO TO SCHOOL WITH THESE SCHOLARSHIPS?

Most scholarships are for accredited schools anywhere in the United States unless otherwise noted under the scholarship description. Some scholarships are designated for students attending a particular institution. See the specific description of each scholarship.

MAY I RECEIVE AWARDS FROM MORE THAN ONE SCHOLARSHIP?

Yes, you may apply for all the scholarships for which you are eligible; therefore, you could be selected as a recipient of multiple awards.

DOES THE HILLSDALE COUNTY COMMUNITY FOUNDATION MAKE THE DECISIONS ABOUT WHO IS SELECTED?

No. Each scholarship fund has its own selection committee. HCCF processes the application materials for the committees that make the award selections.

WHO RECEIVES THE CHECK?

Checks are sent directly to the academic institution the scholarship recipient will be attending by the first week in August. The student's name and last four digits of their social security number are on the check to ensure the money is credited to the proper account.

IF I RECEIVE A SCHOLARSHIP ONE YEAR, WILL I AUTOMATICALLY RECEIVE AN AWARD FOR THE FOLLOWING YEAR?

No. Currently there are a limited number of renewable scholarships. In all renewal cases, students must complete an Online Application for Scholarship Renewal, including all required documents, in order to be considered. Applications for Scholarship Renewal must be submitted online to the HCCF office no later than March 1 to qualify for renewal. Renewals are contingent upon the timely receipt of the Application or Scholarship Renewal, while satisfying all requirements for the specific scholarships' renewal guidelines. A copy of your online grade report or college transcript must be provided as soon as it is available for verification of GPA. Some scholarships have other criteria as well, which must be met to qualify for renewal. (See renewal requirements for each scholarship for which you are applying.)

ATTENTION:

Renewing a scholarship is the responsibility of the recipient. Failure to return the Application for Scholarship Renewal and its requirements to the HCCF office by March 1 will result in forfeiture of current renewal as well as any future renewals of the scholarship received.

The Hillsdale County Community Foundation is not responsible for renewal applications that are delayed. Please submit your application early enough to allow yourself time to call the HCCF office for verification of receipt by March 1.
